**2. Local Facilities Section:
State/Local/Regional/Community Facilities**

k) Board Motion to Approve Community-Based Corrections Plan for Chesapeake City Jail

During the March, 2013, Board of Corrections meeting, the City of Chesapeake was granted permission to use the temporary facilities that had been erected without the Board's permission. The City of Chesapeake has submitted the

required documents and wishes to construct a 200-bed expansion to its current facility in order to replace those temporary facilities.

According to language in the Acts of Assembly, a state of emergency exists with regard to overcrowding at the facility. With this 200-bed expansion, the jail will be still overcrowded; however, the city feels that this is all it can afford to construct at this time. The expansion will give the jail some much-needed breathing room.

The City is currently working on plans for additional phases to achieve the needed bed space. This includes proposed additional construction and current talks with the Hampton Roads Regional Jail about becoming a member jurisdiction.

The Community-Based Corrections Plan and addenda submitted by the City of Chesapeake meet the requirements as set forth in 6VAC15-80 and demonstrate the need for the 200-bed expansion. It was recommended to approve the City of Chesapeake's Community-Based Corrections Plan. Therefore,

By **MOTION** duly made by Mr. Boshart and seconded by Mrs. Curtis, the Board **APPROVED** the recommendation by verbally responding in the affirmative (Boshart, Cabacoy, Curtis, Osborne, Peed) and stated the following for the record:

“That the Board of Corrections approves the Community-Based Corrections Plan for the expansion of the City of Chesapeake Jail.”

There were no questions and there was no discussion. There were no opposing votes. Mrs. Alksne, Mr. Blank and Reverend Paige were absent. The Chairman then voted his approval of the Motion. The Motion carried.

1) **Board Motion to Approve Community-Based Corrections Plan for Hampton Roads Regional Jail**

The Community-Based Corrections Plan and addenda submitted by the Hampton Roads Regional Jail Authority meet the requirements set forth in 6VAC15-80 and demonstrate a need for a 316-bed expansion of which 256 beds would be general population and 60 would be community custody thus increasing the rated capacity of the Hampton Roads Regional jail to 1,114 in order to accommodate the population of the Portsmouth City Jail.

It was recommended to approve the Hampton Roads Regional Jail Authority's Community-Based Corrections Plan. Therefore,

By **MOTION** duly made by Mr. Boshart and seconded by Mrs. Curtis, the Board **APPROVED** the recommendation by verbally responding in the affirmative (Boshart, Cabacoy, Curtis, Osborne, Peed) and stated the following for the record:

“That the Board of Corrections approves the Community-Based Corrections Plan for the expansion of the Hampton Roads Regional Jail for 256 general population beds and 60 community-custody beds.”

There were no questions and there was no discussion. There were no opposing votes. Mrs. Alksne, Mr. Blank and Reverend Paige were absent. The Chairman then voted his approval of the Motion. The Motion carried.

3. Policy & Regulations

a) Review/Discussion of Revisions to Current Board By-Laws

By *MOTION* duly made by Mrs. Curtis, seconded by Mr. Peed and *APPROVED* by verbally responding in the affirmative (Boshart, Cabacoy, Curtis, Osborne, Peed), *THIS ITEM WAS TABLED UNTIL AUGUST.*

There were no other questions or comments. The Chairman thanked Mr. Boshart for his report.

VI. Closed Session

No Closed Session was held.

VII. Other Business (Director Clarke)

Director Clarke commented on the Department's out-of-compliance numbers and its efforts to decrease them. He mentioned gang activities and the Department's efforts in that regard. He reported the ACA audit of Headquarters and P&P Units has been completed. He closed with noting that the Department's recidivism rate is second best in the country at 23.4%.

Mr. Osborne asked about the opening of River North. Director Clarke indicated that an opening ceremony is being planned but nothing is firm at this time because everything hinges on the Governor's schedule. Ms. Gardner will provide further information to the Board as it becomes available. Mr. Peed indicated his interest in that schedule and about scheduling visits to institutions. The Director advised that whenever any Board member is in the area and is interested, the Department will arrange a visit.

The Director concluded his comments. The Chairman thanked him for attending.

VIII. Board Member Comment (Mr. Decker)

Board members made general comments were made and best wishes were passed along to Mrs. Woodhouse, who is recovering from surgery and who will be back for the August meeting. Mr. Cabacoy thanked the Director and Department staff for moving in the right direction. He indicated he was interested in gang information as it impacts what goes on locally. Mr. Boshart mentioned mental health issues affecting local jails because it has a

substantial effect on budgets.

Ms. Gardner noted that a Task Force is being created to address Special Populations. It is believed that JLARC will be asked to study this issue. The Department will meet with legislators and advocates regarding hard-to-place inmates, particularly those needing long-term care. The Director indicated that the state may have to look at the possibility of doing something not done before; getting into the business as the private sector is not in a position to do so. The private sector wants to make a profit, and the state cannot tell the private sector that it has to take these inmates at a loss. He indicated this will be a challenge.

Ms. Ballard provided an update on the Virginia Beach inspection issue previously addressed by the Sheriff to the Board. The inspector has revisited the facility and the situation has been corrected.
